

Resetting Call Pilot Password

(LOG:120000,1020000,10020000 Password)

Press: Feature 985

Press: 9

Press: 73738767793

Press: OK

Press: RLS

The password has been defaulted back to:

120000 if you have 2 digit extensions

1020000 if you have 3 digit extensions

10020000 if you have 4 digit extensions

NOTE: If you are using Call Pilot Manager through your web browser, the password is now defaulted to 0000.
