AVST CallXpress Voice Mail System

When it's time to replace your outdated voice mail system, you want a solution that delivers new, productivity-enhancing capabilities to your workforce. A solution customized to your environment. And of course, you want a solution that helps you painlessly transition to an IP world.

That's CallXpress® from AVST. Respected industry experts recognize that AVST offers the most flexible and economical solution for the enterprise market, with over 35,000 systems sold over the past 24 years. CallXpress delivers advanced voice mail, call processing, unified messaging, fax and speech capabilities to help your business become more productive.

CallXpress 7.80 continues AVST's focus on providing a broad choice of communications solutions that are architecturally flexible yet robust, and are easy to use and administer. This assures our customers of a more productive workforce, greater flexibility in terms of integration options and a smoother transition from traditional to **IP-based** telephony. This release includes an Avaya® INTUITY™ AUDIX® telephone user interface (TUI) emulation, support for the Avaya Message Networking Gateway, improved addressing capabilities including prefix addressing, enhanced MWI capabilities, support for Lotus® Notes R7 and support for new integrations with **Avaya**, Alcatel® and **ShoreTel®** switches. A detailed list of new functionality can be found in the features section.

Digitcom Canada sells business phone systems from Avaya and Nortel. We sell the Avaya IP Office and **Nortel** Norstar, and BCM 50, BCM 200, and BCM 400 from our head office in Toronto, Ontario Canada. Please feel free to contact one of our sales reps. at our Toronto, Canada office at 416-783-7890. We look forward to hearing from you.
