[Avaya One-X Quick Edition: Benefits for Small Business](#)

For small businesses of less than 20 users, the **Avaya one-X™** Quick Edition provides a cost effective way to get access to large enterprise features at a fraction of the cost.

Scalable - Simply purchase telephones as they are needed, keeping costs down and allowing small businesses grow quickly and easily. Simple Installation - simply plug the phones in to the LAN and they automatically find and backup each other. Productivity - Intelligent communications enhance small business productivity through increased collaboration and **communication**.

Low Total Cost of Ownership - with the elimination of centralized server installation charges, ongoing management and maintenance fees are reduced; all there is to support are the telephones and the software that makes it all possible.
